INSTITUTIONS ANNOUNCEMENTS

11/2025

- Suggestion, only take commitments you can fill personally.

In the event the person who has the commitment cannot fulfill

- Suggestion, contact the Institutions chairperson, the phone number is on the back of cards.

By contacting the Institutions Chairperson within a reasonable amount of time *before commitment* it gives the Institutions Committee a chance to find someone else to fill the commitment, and if we cannot do so we'll call the facility to cancel.

Clearbrook - Contact info for Morgan (Monday) has been added to cards and paperwork.

Endless Mtn – Was told we don't have one of the new AA meeting binders there. I dropped one off in July when I was up there. Contacted Ashley she says they do have it and most groups don't want to use it.

Avenues – Ian R. wanted his number changed on cards and paperwork. We didn't get to that yet, his new contact number is (570) 866-6211.

Clem-Mar House – We dropped off the new AA meeting binder there October 29th

Marworth – Ginger called me, no one showed up on 11/02, and 11/09. I reached out to the IGR contact we have for that group. He didn't return my message, contacted 4 people from that group 1 person got back to me. She asked us not to give that commitment to that group again. Over the course of this year, we have been asked not to give commitments to 2 different groups for there, and 2 individuals are also not allowed there. We posted the remaining 3 Marworth Sunday commitments for November on the group me chat and the Kiss group took them.

Serenity Mtn – We received a message 7 minutes before the commitment on 10/30 that the person who had it could not make it. Was not enough time to find another speaker, I called Jenna and let her know no one would be there.

Pyramid – We were contacted about cancelations on 10/19, and 10/21 for the women commitment. We weren't able to find anyone to fill them. Called and left Jerry a message.

Casey House – The speaker for the 10/18 commitment messaged me to let me know he was there waited 10 minutes for people to come join the meeting. No one came to it, he said several walked through the room, they knew he was there. I tried to contact Guy to see if everything is okay there with us and meetings, no response. We can't make people come to meetings.

Junction Group – We had some progress briefly on getting a commitment at the Wilkes-Barre Salvation Army. We have been able to speak to a person that works there. They are interested, at

TURN OVER

some point they are going to call us and we'll get a day and time set up.

On 11/25, 12/02, 12/09, and 12/16 I will be attending Area 59's Treatment & Accessibilities Sub-Committee Forum on zoom. This is from 7:30 pm to 8:30 pm so I will not be at December Board meeting or the IGR general forum. Natasha is going to the Board meeting and she will give the Institutions report next month at the IGR Forum, Donny, and Jason will be handing out the commitment cards in December.

A mistake was made last month handing out the commitments. We gave a group that had already had the Marworth commitment for 2025, they ended up with it a second time.

We had a lot of commitments left over after the last IGR forum, we posted them on the Group Me chat. That seems to work pretty well, we will continue to utilize that. Anyone that doesn't already have that set up Kim T (Website) (570) 561-9750 can help you out. Please let your home group members know about that group chat as well. Thank you!!!

Anyone interested in being on the Institutions call list for fill in speakers, please sign up through NEPA Intergroup web page.

"This is our twelfth suggestion: Carry this message to other alcoholics!"
