The opening balance is $1,479.99 in the recording and matches September's ending balance. The written notes say $1,489.99. Contributions of $65.81 and $345.00 are combined above because the recording and written notes assign them to opposite categories; the total and ending balance agree.

- Contributions received at this meeting are not included in the reported ending balance.
- The incoming treasurer will receive a check for the balance and open a new account. Two signatures are required, as previously voted.
- The workshop budget has been approved; the money has not yet been paid out.
- The treasurer's report was accepted.

Visitation (Rob)

Nothing.

Booker (Rob)

The written notes record the motion as:

> Motion to close booker due to lack of interest

The motion passed with one dissenting vote after the minority opinion was heard and a second vote was taken. The recording does not establish the exact spoken wording.
